

Intuition, or something else?

INTUITION	BIAS/PREJUDICE	PARANOIA
Persistent reaction to something	Reaction doesn't change based on circumstances	Fearful state exists all the time
Intuition felt physically "gut" feeling	Bias and prejudice are felt emotionally	Predominantly felt as consumed by thoughts
Relaxes as protective action is taken	Remains in place regardless of action	Remains in place regardless of action
Based on observed behavior	Based on unfounded belief system	No basis
Reliably has your best interests at heart	Unreliable	Unreliable
